**APPLICATION FOR AN INCIDENTAL BOUNDARY REVISION
TO A PREVIOUSLY APPROVED PERMIT**

A. General Information

1. Applicant's Name _____

2. Give name, title and address of individual to whom correspondence regarding this application is to be sent:

<u>Name</u>	<u>Title</u>	<u>Address</u>	<u>Telephone Number</u>
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

3. Pit Name _____

4. County _____

5. U.S.G.S. Quadrangles _____

6a. Acres to be added by this application: _____

Shall not exceed limits set forth in 310 IAC 12-3-121 (c)(1)(v)

6b. Coal Removal acres contained within this application: _____

6c. Total previously approved Incidental Boundary Revisions acreage for coal removal: _____

6d. Present Permit acreage not including previous Incidental Boundary Revision acreage: _____

6e. Acres added by previous Incidental Boundary Revisions:

#1 _____ #2 _____ #3 _____ #4 _____

#5 _____ #6 _____ #7 _____ #8 _____

7. Legal Description of the acreage in this application by 1/4, 1/4 Section(s), Township(s), and

Range(s): _____

8. Submit as an attachment a map showing the present permit area and the area proposed under this application.

Map _____

9. Describe below how the additional acreage is required for the orderly and continuous mining and reclamation operation and indicate the types of activities which are proposed to be conducted on the additional area:

Attachment _____

Map _____

- 10a. Describe below how the activities proposed to be conducted on this area do not constitute a significant departure from the method of conduct of mining or reclamation operations contemplated by the original permit.

- 10b. Are the activities proposed under this application in conformance with plans which have already been approved? YES _____ NO _____

If YES, describe the proposed plans in relation to approved plans and refer to the applicable section of the approved permit application.

Attachment(s) _____

If NO, submit as attachments necessary plans for each activity as required by 310 IAC 12-5-6 through 12-5-158.

Attachment(s). _____

B. Right of Entry Information

1. List names and addresses of legal or equitable owners of record of all the surface properties, and coal properties to be mined within the permit area:

Surface

Coal

Map _____

2. Describe below the documents upon which the applicant bases his/her/its legal right to enter and begin the surface coal mining and reclamation operations on the proposed area and indicate whether that right is the subject of pending litigation. The description should identify the specific right claimed by the applicant and identify each document by type and date of execution.

C. Relationship of Areas Unsuitable for Mining

Does any acreage within this application contain any areas designated as unsuitable for mining operations as per 310 IAC 12-2-1 & 12-2-3? YES _____ NO _____

If so, discuss the impact of mining and submit necessary information.

D. Land Use Information and Plans

1. Pre-Mining uses for the revised area:

Cropland _____ acres	Pasture Land _____ acres	Forest _____ acres
Water _____ acres	Residential _____ acres	Wildlife _____ acres
Other _____ acres	Explain Other below:	

Show the location of pre-mining uses on a map or aerial photograph.

Map _____

2. Proposed post-mining land uses for the revised area:

Cropland _____ acres	Pasture Land _____ acres	Forest _____ acres
Water _____ acres	Residential _____ acres	Wildlife _____ acres
Other _____ acres	Explain Other below:	

Show the location of pre-mining uses on a map or aerial photograph.

Map _____

3. Submit as an attachment, comments from the legal or equitable owner(s) of record of the surface of the proposed permit area, and the state and local government agencies which would have to initiate, implement, approve, or authorize the proposed use(s) of the land following reclamation.

Attachment(s) _____

For any surface owner, are changes from the pre-mining land use acres proposed?

YES _____ NO _____

If YES, then submit the following:

- a. A description of how the land uses are compatible with adjacent land uses and where applicable with existing local land use policies and plans.

Attachment(s) _____

- b. A description of the measures to prevent or mitigate adverse effects on fish, wildlife and related environmental values and threatened or endangered plants.

Attachment(s) _____

E. Bond Information

1. Indicate the approved bond rate for the permit area contiguous to the proposed area. If the proposed area is contiguous to areas with more than one bond rate, use the highest rate for those areas.

\$ _____ per acre

2. Multiply the acres contained within this application by the rate indicated above.

Acre x \$ _____ per acre = \$ _____ (Total Bond for this Area)

3. Submit as an attachment a revised bond segment map, which shows how this will be bonded.

Map _____
